

Head/ Shower layout to builder's discretion. Note that this area must be divided up with bulheads or ring frames for hull stiffness. Also provide shelves or lockers for added stiffness.

Aft double bunks at sprayrail level. 350hp Yanmars under.

Forward cabin layout to builder's discretion. Use 16mm DuFlex Honeycomb for furniture.

All internal furniture to be made from 16mm Duflex Honeycomb. Fillet and tape to hulls and bulkheads with 1 layer 600g d. bias 100mm wide.

See kit information sheets for more details

Scale 1:50
