*Freedom of choice and adventure. These are some of the core values we strive to build into every one of our boats. With the DF28 we know we are getting better and better at this, more so for each and every boat we build.*

### Dragonfly 28 Specifications

*In this small presentation we hope to give you an idea of the possibilities of the Dragonfly 28. The time is for open for exploration and new discoveries.*

A 28' folding trimaran that can sleep 5 adults, offering an aft cabin, queen size V-berth and two easily set-up foldable berths in the main cabin. All bunks are 2 m+ long. The boat has a standing headroom of 1.85 m in the main cabin as well as a generous galley space on each side. The spacious dinette offers a nice view outside, similar to a deck saloon yacht. A fridge box is available in the right position of the galley work space.

The big double trampolines offer the perfect sun deck - like on a super yacht!
